

## Fraudulent move to misuse Chief Minister Announcement for 2D bar code

Hon'ble Chief Minister announced in assembly to issue 2D barcode for the Registration certificates to avoid impersonation. Taking this announcement as gratitude, Dr.G.P.Hahnemann , former President of Tamil Nadu Homoeopathy Medical council has a fraudulent move to misuse the Hon'ble Chief Ministers' announcement to issue 2D bar code by issuing fresh Registration certificates to impersonated certificate recipients.

The secret move was passed over by a council resolution by the enquiry committee meeting held on 8.10.2014, chaired by Dr.G.P Hahnemann and the members Dr.T.C.P. Nambiar, Dr.R.Rangasamy, Dr.N.V.Sugathan and Dr.S.Subramanian and passed over in executive Meeting and council meeting while receiving objections among official members. Accordingly a fresh certificate of Registration with 2D bar code will be issued to all Medical practitioners including

the impersonated certificate recipients calling life certificate by a gazetted officer or member of the council. Interestingly the evidences collected shows that members tainted with offences in selling the impersonated Registration certificates finding solutions to their own problem.

The council power is abused crossly violating the Section 15 and Section 16 of the Tamil Nadu Homoeopathy system of Medicine and practitioners Act 1971 without any amendments or government. The publication of Medical Register according to the act and cross examining their place of profession by the District collectors are purposely replaced by Advertisement in News papers as usual to imprint the impersonated certificates by authorizing the members to issue a life certificate

The council abuses its power by continuously by "News paper Advertisements" packing the succeeding members in all elections and nominations to protect themselves by "Resolutions" of the council to escape from legal action by Police Department and Department of Health and FW. The violation is summarized as

Year	Violation	Act	No of Illegal Certificates
1977-1996	The experience based Registration stopped on 4-5,1976	Section 15(1)(b)(i) and 15(1)(c)(i)	1172
1985	Shifting "C" class to "B" class	15(1)(b)(i)(ii) and 15(1)(c)(i)(ii)(iii)	1500?
2000	Re Registration certificates issued with photo and ID card by getting old original certificates	Section 15 and the Duplicate certificates issued under section18(2) keeping a "Fake" Register for malpractices	6,000?
2010	Call to update medical register by news paper advertisement	Section 15 , Impersonated certificates sold on demised persons most synonymous names	3003

The enquiry committee planned to include all illegal registrations and impersonated certificates and geared to put in to action soon. The enquiry committees slammed the government for not ratifying their abused "Resolutions" and remedy them passing suitable amendments, however they decided to violate insulting Hon'ble Chief Minister announcement to introduce 2D bar code abusing their power. The government machinery is abused for money and power and the successive succeeding members acts against interest of Government and Homoeopathic fraternity. The community

**Hon'ble Health Minister Dr.C.Vijay Bhaskar probing the issues...on way** expects the Hon'ble Health Minister to probe into the issue which is very vital to public service preventing the quacks injuring the life of a person. The tenure of the president and

nominated members was over and the former members tainted with offenses also filed nominations. Hence Homoeopathic fraternity also expects to identify them and save the community from further injury

Dr.G.P. Hahnemann, who obtained the president post, Dr.T.C.P. Nambiar through DMK regimen taken a shameless drama as "AMMA devotees" under religious faiths, fake advertisement would make them penetrate the past events. These initiatives are highly purposeful to avoid Police action and obtain nominations to hail the impersonations

## HC stays OA's suspension probing impersonations

The news on impersonation hits the community already on publication of names in Tamil Nadu Government Gazette dated 2.2.2010 imprinting B 837, B-8198, B- 8292 and B 9140. While so now another issue on impersonation of B 3161 has taken its root from its registry. It has emerged through the suspension of Office Assistant Mr. S. Babu on his findings on impersonation of certificates. The Honourable high court stayed his suspension making a note on the judgment para 5 of his affidavit

*5. While so while doing the work assigned to me I came across several illegalities being committed in the Tamil Nadu Homoeopathy Medical Council. I was compelled by the 4th respondent and several others, whom I am afraid to name in this affidavit out of fear for my life and limbs, to do several illegal acts like making entries in the register in the name of dead persons etc., The 4th respondent herein is the present Registrar of the Tamil Nadu Homoeopathy Medical Council. Hence*

*the 4th respondent is impleaded in his personal capacity as he has passed the impugned order with malafide motive. On 02.01.2015 one Dr.S.M. Ravi applied for renewal of his medical registration in the Tamil Nadu Medical Council. His registration number is B-3161. On verification however it was found that the said Dr. S.M. Ravi was recorded as if he has died and in his place a false certificate has been issued to someone else by name N. Ravichandran. I was shocked to find out this fraud. I informed this to the 4th respondent. The 4th respondent directed me to make ready and give the renewal certificate to Dr.S.M.Ravi. He further directed me to not to reveal this to anybody else. Several such changes have been made in the Tamil Nadu Homoeopathy Medical Council register. This raised several suspicions in me and I refused to do this work for the 4th respondent. On 05.01.2015 the said Dr.S.M.Ravi was issued with a renewed certificate by the 4th respondent. There is lot of*

*discrepancies in the B-Class registration. A registration certificate is issued to another person even while the said Dr.S.M.Ravi is alive. Only thereafter the petitioner came to know that there are several such fraudulent certificates have been issued based on fraudulent changes in the medical register. This caused the start of severe harassment of the petitioner who was threatened to not to tell this information to anyone else. The petitioner was put to severe mental agony.*

Dr.T.C.P. Nambiar, the president, Tamil Nadu Homoeopathy federation and also the nominated member of the Tamil Nadu Government with previous government was instrumental to issue the certificate to forge the B -3161 to N. Ravichandran, a relative and resident of Coimbatore. He alerted Mr N.Ravichandran to run away from home.

The facts are clear that Registry is manipulated by the willful Registrars of the council to escape from Police and Department of Health

## Crime story...timeline

The initial suppression of illegal Registrations had taken its roots to extreme to forge the issue Registration certificates of deceased physicians names by Thiru Soundarajan and the official bearers of

Tamil Nadu Homoeopathy Federation Members

The advertisement published in Daily Thanthi in 2010 to update the medical Registrar was the primary step to hail this menace. Thiru. C. Soundarajan, the Registrar i/c persuaded Mrs. Prema Mary Kasthuri to furnish an exclusive demised list from the returned postal covers. The list was furnished to Tamil Nadu Homoeopathy Federation office bearers. The task for identifying the quacks was very simple by its branches and the documents evidences that most synonymous names were forged and incidentally a male certificate was issued to a female.

Mrs.Kavitha, a staff of the council

bit of informations in a paper and raised her clarification with Dr.R.Gnanasambandam, former council president. He alerted her on this menace and confirmed by publication of impersonated names B 837, B-8198, B-8292 in TN government gazette dated

*Judicial cheaters.... Dr. G.P. Hahemann, Dr. T.C.P. Nambiar, with Dr. R. Rangasamy Cheats Hon'ble AMMA with dubious religious drama*

Dr.G.P. Hahnemann, president appointed Thiru C Soundarajan to conduct the elections hurriedly and surprisingly the Gazette publication was made only after election notification. Dr. Hahnemann's willful members including the office bearers of Tamil Nadu Homoeopathy federation sworn as members to occupy various committees to suppress this menace

The president planned to suspend Mrs. Kavitha for furnishing the information on impersonation and passed a resolution as primary step while the Office Assistant S Babu was promoted as Junior assistant and Mrs Prema Mary kasthuri as Superintendent but the president not executed any order of promotion since

aroused suspicion over them on dissemination of news of impersonation in B 9140

The enquiry committee called Mrs Kavitha, threatened her for suspension and persuaded for submissive in impersonation. Council and T.Nalini , impersonated certificate recipient appeared along with her Husband Dr. Senthil Kumar and her father in law Dr. A Dhandapani

Tmt. Giraja Vaidyanathan IAS, Principal Secretary, the Department of Health ordered the commissioner of Indian Medicine to demit and take over charges on Thiru. C. soundarajan for mis use of funds of the council and on findings of impersonation by Commissioner Thiru T.N.Ramanathan calling the both Registers, but did not indicated any action.

Thiru .C.Chandra Babu , the Registrar i/c while sitting inside the cabin , The council Assistant Mrs.Prema mary kasthuri along with sweeper Tmt Gomathy took the all applications, affidavits, old certificates and other documents allied to impersonation packed in polythene packs and in dragged to Directorate Indian Medicine banks of sewage area and burnt.

As a matter of reward Mrs. Gomathy was given double promotion and allowed Prema Mary Kasthuri for Voluntary retirement while their service is ahead. It was on air that all applications and affidavits were scrutinized and entered in the "Re Registration" Register , While the ignorant Mrs Kavitha , typist was abducted by giving a "Bit Paper" for typing the certificates by registrar i/c. Hence the mental agony derived her fear and escape graveyard

Dr.R. Gnanasambandam made representations, filed cases against the council for welfare of the community and took initiatives to safe Guard Government

appointed Thiru K.Chithraikannu to remedy the facts. But the course of events shows he also started cheating the Government and all officials suppressing the menace on the interest on former president Dr. G. P. Hahnemann, Thiru C .Soundarajan along with tainted members

The community raised questions on RHMP certificate of Dr.A Elanthiryan, the joint general secretary of Tamil Nadu Homoeopathy federation. The root of dissemination through their associations is torched by his close association with Dr.Rangasamy, the treasurer and Dr.G.Nirmal, the custodian of the association. The hang master Dr.G.P. Hahnemann is perfect in duties to advise them by holding advisor designation in the said organization

Eventhough tenure of the president was over Dr.G.p Hahnemann found dictative along with former Registrars of the council Thiru C Soundarajan and Thiru G.Chandrababu. The sources of information say that Thiru C Soundarajan is possession of a duplicate key of the council office

At the outset the informations furnished by Mrs Kavitha on B 8198 K.Venkataraman, publication of the information in the TN government Gazette, copy the certificate issued by Thiru C Soundarajan and Dr.K.Venkataram 's allopathic practice in the said address makes a layman to understand certainly that council is in progress in selling the impersonated certificates.
